

## Science Curriculum Overview - Y10 - GCSE (2025/26)

Students cover **Biology**, **Chemistry** and **Physics** topics each term, 2 hours worth each week.

Term	Biology	Chemistry	Physics
Autumn 1	B5 Communicable Diseases	C5 Chemical Changes	P6 Molecules and Matter
Autumn 2	B6 Preventing and Treating Diseases B7 Non Communicable Diseases	C6 Electrolysis C7 Energy Changes	P7 Radioactivity
Spring 1	B8 Photosynthesis B9 Respiration	C8 Rates and Equilibrium	P8 Forces in Balance P9 Motion Graphs
Spring 2	B10 The Human Nervous System	C9 Crude oil and fuels C10 Chemical Analysis	P10 Acceleration and Elasticity
Summer 1	Summer EOY exam revision	Summer EOY exam revision	Summer EOY exam revision
Summer 2	B11 The Endocrine System	C11 The earth's atmosphere	P11 Waves
